**INTERVIEW SUMMARY IN RESPONSE TO OFFICE ACTION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

On July 12, 2006, Applicant's representative, David Zibelli, telephoned Examiner Lhymn, and pointed out that the March 13, 2006 Office Action rejects claims 1-8, and does not address claims 9-19 in any way, even though the Preliminary Amendment filed with the application canceled claims 1-8 and added new claims 9-19. The Examiner confirmed that this was correct and indicated that a new Office Action would be sent.

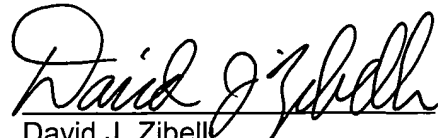

However, Applicant have not received any new Office Action, and considers this interview summary to confirm that no response to the March 13, 2006 Office Action is required.

The Examiner is invited to contact the undersigned at 202-220-4200 to discuss any matter in connection with this application.

It is strenuously asserted that no fees are due. However, the Office is hereby authorized to charge any fees under 37 C.F.R. 1.16, 1.17 or 1.136 to the Kenyon & Kenyon Deposit Account No. 11-0600.

Respectfully submitted,

Dated: September 8, 2006
